

PENDER COMMUNITY TRANSITION (PCT)

** a cooperative alliance for a brighter future **

[*google "Pender" & "Transition" to find out more!](#)

ENERGY ACTION DAY !

*All welcome,
free event,
kid area,
food/drink
available*

*Just drop by or
stay a while,
to learn and
share energy
ideas!*

Saturday, November 12, 2011, 10 am to 3 pm
Pender Islands School Gym (5714 Canal Rd)

Fun and informative **DISPLAYS** (including from our kids and various groups), expert / inspiring **SPEAKERS**, plus cool energy videos and lively networking! It's about **ENERGY CONSERVATION** (i.e. many ways to need less energy, including in our homes), and **ENERGY TRANSITION** (shifting to low-carbon, resilient, perpetual energy sources). Contact 250-629-3825 or info@pendercommunitytransition.ca to share something or for more info!

- 10:30 am** **Ian Gartshore** (www.shoreenergy.ca) talking about home energy evaluations, do-it-yourself (D-I-Y) energy options, etc.
- 11:15 am** **James Smyth** (www.pacificsolarsmart.com) re: solar water heating, installations of flat plate systems (versus vacuum tube)
- NOTE: PCT has a **Solar Water Heating Public Education & Bulk Buying Project**. Call 629-3825 re: potential savings***
- 12:00 pm** **Doug Green** (www.homeperformance.com) re: home energy evaluations, home refit options, government rebates, etc.
- 1:00 pm** **GUY DAUNCEY** (www.earthfuture.com) giving an inspiring story-telling presentation and then joining us in discussion about creating **a sustainable Pender in the next 20 years**. This greatly resonates with PCT and other local initiatives to create **a more resilient, self-sufficient, low-carbon Pender!**
*go to www.pendercommunitytransition.ca for more info

* **Big thanks to our funders for this event:** North & South Pender Local Trust Committees, Eco-Homes Network, GreenAngels, **Vancity** and to the other groups and persons sharing displays, photos, and more!
