

PENDER COMMUNITY TRANSITION (PCT) proudly presents

Brighter Future Pender Show

Our entire community is invited to join Pender songwriters, singers, musicians, poets, actors, and other artists in weaving a vision, birthing a transition... into a Pender future where we are more connected with each other, nature, and the land, more resilient and self-sufficient, living lower-carbon, lighter on the earth, happy and whole!

Featuring Nicole Baker, Kelly Dine, Colin Hamilton, Amy Heggie, Shelley Jordan, Wendy Lopatecki, Kathy MacIntyre, Yvonne MacKenzie, Barry Mathias, Rick McMullen, Mae Moore, Nadia Nowak, Ricci & Eunhee O'Reilly, Adrian Schamburger, Zorah Staar, Andrew Lane and more!
